Northern Breeding Business (NB2) – information session

DAF conference room,
1-5 Prior Street
Charters Towers

Wednesday 7th of July

9:00 am – 12:00 pm

About the day

Join our DAF beef extension team for an information session on the upcoming NB2 project based in the Burdekin.

We will also be providing updates on other grazing activities and trials run by the Department of Agriculture and Fisheries (DAF).

NB2 is a peer to peer learning project focusing on;

- Improving data recording and analysis for informed decision making in beef business
- Linking research directly to the beef business
- Providing formal and informal educational opportunities and support to the group specific to their requirement.

Please arrive at 8:30 am for an early smoko and a 9:00 am start.

Topics for the day will include:

- An overview and discussion of what is involved in NB2
- Other projects currently underway at DAF
- Presentation of recent DAF trial results
