

Beef Industry Forum Tackling the tuff times

Where: Karma Waters Station
When: Tuesday, May 13 2014
8:15am – 4pm

Featuring guest speaker – Richard Rains (Sanger Australia)

Richard convinced McDonalds North America that they should use Aussie beef in their burgers and was instrumental in establishing that trade for Australia, not only in USA but also Japan, Korea, Taiwan, China, and much of South East Asia as well as domestically in Australia.

Other topics include:

- Carbon and Cattle - *Finding the Win:Win*
- Breeders productivity & cost effective supplementation
- Understanding your beef business – Current debt, cash flow & profitability challenges
- Q&A session with our local Bankers
- Stylos and boosting live weight gains
- New grass & legume research in north QLD
- Have your SAY – The Gulf Graziers' Group wants your feedback
