

# AGFORCE SWQ

## 'BACK TO BASICS'

# GOAT INFORMATION DAY

For more information and registration visit: [agforce-back-to-basics-goat-info-day.eventbrite.com.au](https://agforce-back-to-basics-goat-info-day.eventbrite.com.au)

Join AgForce for a day designed to go 'back to basics' and educate and update goat meat producers on a range of topics, including improved production and herd health.

Hear from industry experts about the very latest developments in the goat industry and participate in interactive presentations and 'hands on' demonstrations.

At the end of the day, attendees are invited to enjoy drinks, nibbles and a camp-fire dinner.

We hope you can join us!
