

YOUNG GUNS WORKSHOP

Alice Springs, October 26-27

This workshop is tailored specifically for up and coming producers and provide an opportunity for them to build business skills with other young producers. There will be a bonus session on long-term wealth creation and an inspirational young gun speaker.

Get your head around more of the 'business side' of your business...

develop your financial knowledge and business understanding...

- + understand where your business is performing well and where it can be improved...
- + better understand how your decisions impact the bottom line of your business...
- + determine if your business can really fund future growth, debt reduction, retirement and succession...
- + ensure everyone in your business is on the same page...

Join a group of like-minded producers at a Business EDGE workshop and equip yourself to improve your business skills.

What you'll learn

- ✓ What's driving profit in your business – and what's not
- ✓ How to set up your financial system to provide you with the information to help manage your business.
- ✓ How to demystify your financial statements
- ✓ New infrastructure or equipment: which one will deliver the biggest bang for your buck?
- ✓ Funding for education, succession and retirement: how much is needed and what can your business fund?

Why attend?

- + Gain the skills and confidence to really analyse your business
- + Understand universal business principles and terms and their application to your business
- + Learn from presenters who understand pastoral businesses
- + Receive a full set of course notes and a suite of decision support tools to use at home
- + Money back guarantee if you're not 100% satisfied the workshop has improved your business skills.
