

NTCA BUSINESS EDGE COURSES

The Northern Territory Cattlemen's Association, in collaboration with Bush Agribusiness, is bringing MLA's Business EDGE to the NT.

Business EDGE is a two-day financial skills and business management training workshop, tailored to northern beef producers. Join like-minded producers and enhance your knowledge to improve your business skills.

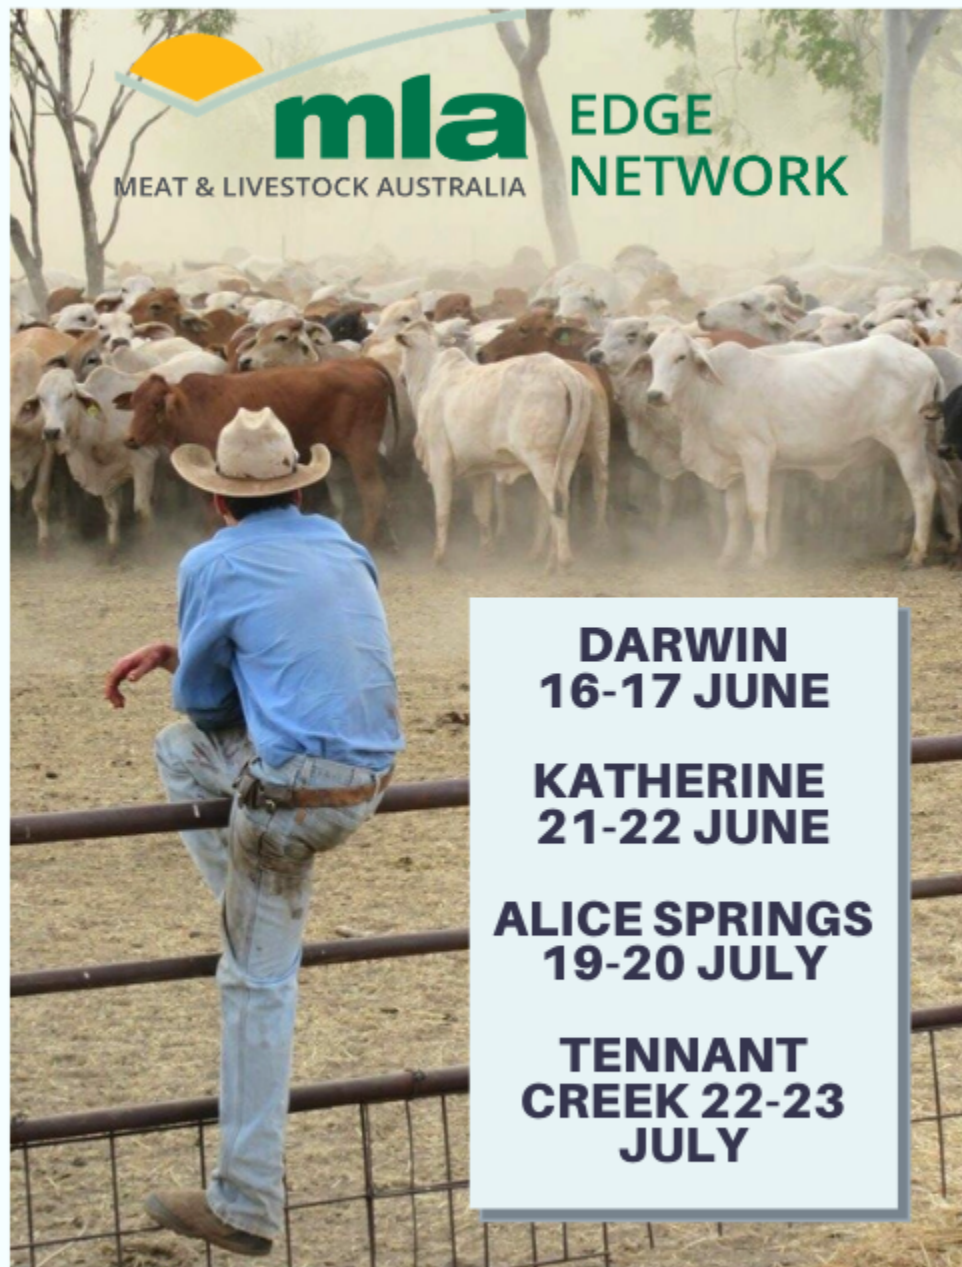

Learn about:

- Economic sustainability
- Financial literacy
- Understanding and measuring whole of business performance
- Managing risk
- Working capital
- Enterprise performance
- Case studies
- Future planning

Includes a free session focusing on regional beef enterprise data, performance and relative financial skill drivers.

NTCA has a limited number of subsidies available for eligible NT participants to attend Business EDGE training for a cost of **only \$250 + GST per person (usually \$1500 + GST)**.

Successful applicants will be granted subsidies on a first-in first-served basis.
