Nutrition EDGE Workshop

Katherine, NT: 24 – 26 August 2021

VENUE Katherine, NT (plus paddock exercises)

TIME 8:30am to 5:00pm

Nutrition EDGE is a three-day workshop and practical session covering all aspects of animal nutrition. Participants will be able to make better decisions to achieve their herd performance targets through improved breeder fertility, weight gains, reduced mortality, optimal use of supplements and overall management.

Attending this workshop will help you to:

- better understand the nutritional requirements of your cattle and sheep
- estimate the feed value of pasture and animal production
- know what supplements to feed
- understand a feed label
- save money on supplementary and drought feeding
- make better management decisions for a range of seasonal conditions.

Price:

$1,750 + GST / 1st person from one business
$1,450 + GST / 2nd person from the same business

Cost includes comprehensive set of workshop notes, workbook and lunch, morning and afternoon tea each day.

Deliverer:

Désirée Jackson
Désirée Jackson Livestock Management

What do other producers think of Nutrition EDGE?

General feedback

"Possibly the best few days I have had in some time in opportune change for business!"

"It is great for learning about investing in feed programs and what is cost beneficial and not."

"Our expectations are driven by productivity, so any skills/knowledge gained will be invested into the business."

"Best course I have attended (practical). "

"Decision making power."

"I found it very beneficial in regard to being able to better spend money on correct lick."

The presenter

"Very high level of knowledge and ability to teach intensive content."

"Excellent knowledge that is practical and can be related to our business."

"Extremely knowledgeable and practical, professionally delivered and very factual, knows subject well."

"You can always tell how well a presenter knows the info they are presenting by how well they answer questions. Désirée was fantastic and really knew what she was talking about."

Value for time & money

"Very valuable. All managers and even middle management staff should do a course like this."

"Very worthwhile for the investment made, I believe that nutritional knowledge is often seen as not a station manager's job but with this course shows that it is very important to improve productivity at stations."

"I think the cost of workshop and time will be offset by increase in profitability and production."

"Good, relatively small investment considering the benefits that could be achieved."
