

Supercharge recovery...

...making the most of everything
**from pasture growth to
funding assistance**

Hexham 2020 DCQ's Flagship Field Day

Wednesday
9th September 2020

9:00 am to 3.30 pm

Bookings essential

Secure your spot
by phoning DCQ
on 4658 0600 or,
after hours, call
Doug Allpass on
0427 427 090.

If you prefer,
book online at
www.dcq.org.au.

**Smoko, lunch
& cold drinks
provided**

What's special:

- **Terry McCosker** - a great innovator of Australian agriculture, co-founded RCS, a trusted source of farming knowledge, will be talking about pasture recovery.
- **Darryl Hill** - well-known grader guru and erosion control and soil conservation specialist, will be talking about erosion management and recovery.

What else:

- pasture recovery cycles and monitoring
- wet season spelling
- pasture yield mapping
- rebuilding finances
- industry and drought recovery
- managing native vegetation
- monitoring grass and groundcover
- erosion management and recovery

To get to Hexham:

30 km north of Winton on the Hughenden road, and follow the DCQ field day signs.

COVID Safety Plan:

The field day will be run in line with the latest recommendations to ensure the safety of all who attend.

This field day is supported by Desert Channels Queensland through funding from the Australian Government's National Landcare Program and the Queensland Government.
