

## Leucaena establishment and paddock walk

**Time:** 9am – 1pm

**Date:** 10 August 2015

**Fairways, Emerald and Ramboda Anakie**

Two local businesses are seeking advice on leucaena planting and establishment from Stuart Buck (Pasture Agronomist, Department of Agriculture and Fisheries). The Roberts and Hatte families have invited you along also to learn from the experience.

### Meet at the Fairways house

Directions: Travel 25km west of Emerald, take a left up the Glendarrivell Road, 900 meters up the Glendarrivell Rd turn left over a grid at the Fairways sign. The house is approximately 2 km in.

### Discussion will include:

- Paddock /soil type selection
- Agronomy – preparation, planting techniques, row width, varieties, soil nutrient needs, weed control
- Management – height, seed, nutrition, grazing management

### What to bring:

- A hat and appropriate shoes for a paddock walk
- A chair if you want to sit down
- A thermos of hot water for tea and coffee

Morning tea and lunch will be provided.

### RSVP
