

# NLIS Workshops - 8.30am - 4pm

*Good cattle records are a vital part of your biosecurity plan.*

*The NLIS database contains the cattle records used to manage Animal Disease outbreaks.*

- How tidy are your records on the NLIS database?
- Do you get lots of error messages?
- Can you process or check transfers?
- How many active tags are registered to your PIC? Does this match your cattle numbers + spare tags?
- Do you want to be eligible for EU?

Hosted by:

***Biosecurity Qld & Grazing BMP***

This workshop will provide basic training in the use of your NLIS account, for compliance with legislation and market requirements.

**Wed Oct 11**

**CHARTERS TOWERS**  
(DAF Conference Room)
