

Nutrition EDGE Workshop

Karratha, WA: 9–11 December 2017

VENUE The Quarter, Sharp Avenue, Karratha (plus paddock exercises)

TIME 8:30am to 5:00pm

NUTRITION EDGE IS A THREE-DAY WORKSHOP AND PRACTICAL SESSION COVERING ALL ASPECTS OF RUMINANT NUTRITION.

Participants will be able to make better decisions to achieve their herd performance targets through improved breeder fertility, weight gains, reduced mortality, optimal use of supplements and overall management.

Attending this workshop will help you to:

- better understand the nutritional requirements of your cattle and sheep
- estimate the feed value of pasture and animal production
- know what supplements to feed
- understand a feed label
- save money on supplementary and drought feeding
- make better management decisions for a range of seasonal conditions

Deliverers: Désirée Jackson – Désirée Jackson Livestock Management
Matt Fletcher – DPIRD, Kununurra

Places are limited. For more information or to register, contact:
