

QUEENSLAND  
AGRICULTURAL  
TRAINING  
COLLEGES

# SmartMoves

**How well do you know your animal welfare ethical and regulatory obligations regarding the movement of cattle through the supply chain?**

An innovative series of skillset training, provides you with knowledge and skills to know your duty of care to safely and ethically handle cattle under modern techniques and legislation.

[qatc.edu.au](http://qatc.edu.au)

**A new workshop series for anyone who owns, manages, or handles cattle, to learn about current standards regarding duty of care, and responsibilities to ensure acceptable welfare standards for cattle in their charge.**

Are you involved with cattle anywhere throughout the livestock industry supply chain? Do you know your responsibilities to current standards and regulations?

- Cattle owners
- Cattle transporters
- Saleyard agents
- Stock managers
- Livestock processors
- Feedlotters

**Attend some or do all - select the workshop relevant to you**
