

Experiencing technical difficulties?

If you've had a go at starting a map or need some help with some of the tedious computer jobs we might be able to help...

We will have **WiFi** set up and a range of different *advisors* and services to help you get some paper pushing done!

BYO laptop, a USB and any paperwork you might need.

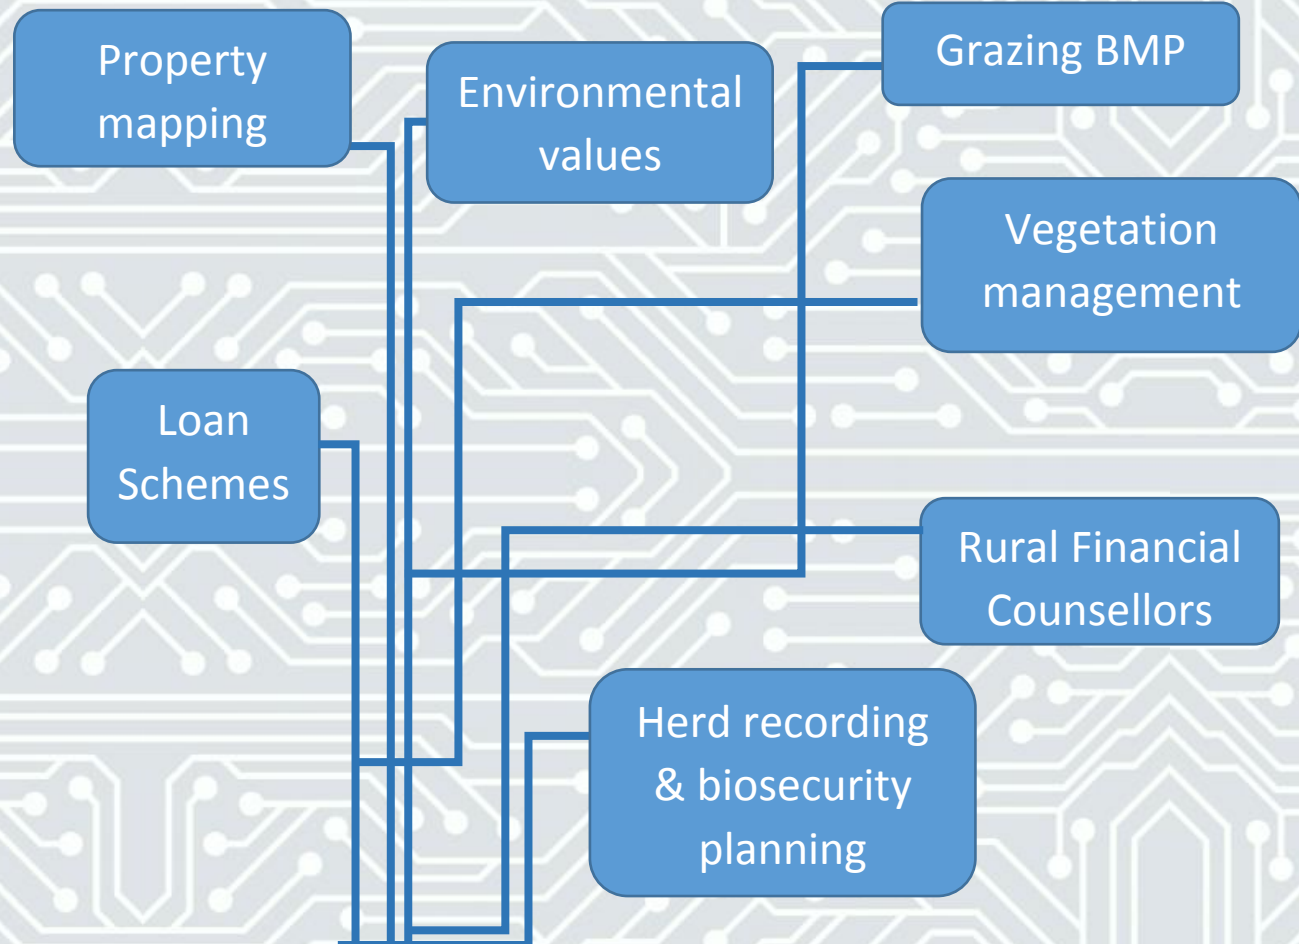

Plug in

1st May, 9am-4pm

Come and go anytime

Cunnamulla Hall

#GrazingFutures

Property mapping

Started a map but having some technical issues, the internet is too slow or you need some motivation?

BYO laptop and we can help you get started or make progress on your map on a number of different programs.

With Jed Sommerfield
Department of Agriculture and Fisheries

QRIDA

Find out if QRIDA can help you to improve your sustainability and productivity through financial or advisory support. Get help with finance applications or just have a yarn your about options.

With Tony Koch QRIDA

Environmental values

Identify aspects of environmental value on your property and assist with monitoring and guiding future management.

With Catherine Conroy
South West Natural Resource Management

Grazing BMP

Find out more about how Grazing BMP could help your business and even complete one or more of the five modules on the day.

Registration essential – RSVP to Nicole Sallur 0427 603 241

With Nicole Sallur
Department of Agriculture and Fisheries

Herd recording & biosecurity planning

Chat to the biosecurity officers about pests and weeds, NLIS or biosecurity planning. Or get your records in order with templates for production data, animal health, WH&S and more.

With Andrea Wiles, Cameron Wilson and Bec Brayley Department of Agriculture and Fisheries

Vegetation Management

Get help to lodge self-assessment code notifications, including for fodder harvesting.

With Maree Winter Department of Natural Resources, Mines and Energy

Rural Financial Counsellors

Meet the local rural financial counsellors and see if they can:

- help identify your financial and business options
- help negotiate with your lenders
- help you develop an action plan
- give you information about government and other assistance schemes

With Angie Bowden
Rural Financial Counselling Service

GrazingFutures BMP is funded by the Queensland Government's Drought and Climate Adaption Program (DCAP) that aims to improve drought preparedness and resilience for Queensland producers
