

# Bull selection and fertility information day

Wednesday 4 July 2018

Following the 'Tips & topics' day held at Dirranbandi in February, a follow-up day dedicated to breeding and genetics will be held in the lead up to bull sale season.

## Program

- **Breeding objectives**
- **BULLCHECK and understanding morphology**
- **In depth explanation of estimated breeding values (EBVs) and how to make effective use of them!**
- **Key findings from multiple research projects**

### **Presenter:**

**Tim Emery**

Technical Officer with Tropical Beef  
Technology Services (TBTS) based in Roma.

### **What to bring:**

- Pen & paper
- IDs on bull inventory (to discuss them during breaks)
- Upcoming bull sale catalogues

### **When**

Kick off at 9 am.  
Finish around 3 pm.  
Lunch and smoko provided.

### **Where**

Dirranbandi Civic Centre

## **RSVP**

Please RSVP for catering purposes by Wednesday 27 June 2018 at [surveymonkey.com/r/DirranbandiEBV](http://surveymonkey.com/r/DirranbandiEBV) or contact Andrea McKenzie on 0428 109 620.

Childcare may be available, but let us know if you would require this service.

QUEENSLAND  
MURRAY-  
DARLING  
COMMITTEE

This day is brought to you by GrazingFutures which is funded by the Queensland Government's Drought and Climate Adaptation Program (DCAP) that aims to improve drought preparedness and resilience for Queensland producers.
