

NLIS Workshops

Learn the basics to manage your NLIS account

Learn how to manage your NLIS account:

- Navigating the new NLIS website
- Overview of **basic account functions**; tag transfers, account warnings, kills tags
- Completing a **PIC reconciliation**
- Maintaining **lifetime traceability**
- Downloading eDECS
- Tags and selecting the right reader

You will need a current NLIS Username and Password – contact the NLIS helpdesk for setup on 1800 654 743 or visit www.nlis.com.au
