Can your business really fund
future growth, debt reduction, retirement and succession?

Maybe you're just scraping by?

Or you're not sure where to start
to better understand and improve your business performance?

**Join a group of like-minded producers and equip yourself
to take a hard look at your business and take back control.**

What you'll learn

- ✓ What's driving profit in your business – and what's not
- ✓ How to set up your financial system to provide you with the information to help manage your business.
- ✓ How to demystify your financial statements
- ✓ New infrastructure or equipment: which one will deliver the biggest bang for your buck?
- ✓ Funding for education, succession and retirement: how much is needed and what can your business fund?

Why attend?

- + Gain the skills and confidence to really analyse your business
- + Understand universal business principles and terms and their application to your business
- + Learn from presenters who understand pastoral businesses
- + Receive a full set of course notes and a suite of decision support tools to use at home
- + Money back guarantee if you're not 100% satisfied the workshop has improved your business skills
- + Free attendance to future ½ day follow-up workshops

More than 500 producers have already attended Business EDGE.

Here's what a few of them had to say about it...

We have been looking at our business through a dirty windscreen for a long time, you guys in two days have cleaned that windscreen for us."
