

RURAL SUPPORT TRAINING

Farm Safety Development Program 3

For farm and business owners, managers and workers, working in a safe environment is a key responsibility. This program has been designed to provide the opportunity to build safe work practices in and around the workplace.

This mix of accredited and non-accredited units will provide you with the skills and knowledge to:

- apply heavy vehicle chain of responsibility legislation
- apply fatigue management strategies
- plan and prepare for entry and exiting of confined spaces
- comply with current workplace health and safety legislation and work confidently at heights
- improve your quad bike knowledge to stay safe and productive
- meet the rights, obligations and responsibilities of the Biosecurity Act

Duration: 5 Days
