

# NEW EVENT DATE - 27 JULY

'Echo Hills' will host a *TECHNOLOGY FOR A BETTER FARM* Field Day that you don't want to miss - now on 27 July!

Apologies for any inconveniences caused by the date change

The event is brought to you by Grazing Futures, Connect Ag and SQNRM and will discuss:

- **Walk-over-weighing** - the training process, the benefits and see it in action.
- **Telemetry, satellite data and more** exciting new tech.
- **Mastering the technology** you already have.
- **Making sense of the data** to drive decisions and profits.
- **Cross section of speakers** - including the Echo Hills team, local producers & industry experts.

***Keep your eyes peeled for the full flyer!***

**Date:** Saturday, 27 July 2019

**Where:** Echo Hills (on the Roma-Taroom Road)

**When:** 9am, finishing with a BBQ tea around 5:30pm

**Contact:** Lachlan Marshall via
