

AG ADVISORS BREAKFAST

Improving Resilience & Risk-Based Decision Making

Connect with your clients

Cam Nicholson, a partner at Nicon Rural Services in Geelong, works with the grazing and cropping industries. His recent work focusses on helping farming businesses with communication and decision making.

He can help you better connect with your clients by:

- understanding risk
- discussing risk in farming businesses
- enhancing decision making
- picking client temperament and crafting your message to suit.

NOVEMBER 13, 2019

6.30am, Wednesday
Ernest Brock Room,
Cultural Centre, Roma
Cnr Bungil & Quintin Streets
