

Excel Spreadsheets for Grazing Enterprises

Improve your business with a working knowledge of Excel

Have you downloaded a spreadsheet and not been able to use it?

This three-quarter day workshop will step you through the very fundamentals of Microsoft Excel.

We'll give you practical grazing business examples to help your business management.

TOPICS COVERED

- Getting familiar with Excel
- Creating new worksheets
- Understanding and creating basic formulas
- Linking worksheets
- Entering and copying data
- Creating a new spreadsheet from a template
- Using Excel Help

Wednesday, 16th October, 2019
