

# WEBINAR

## Making sense of early weaning

**Date:**

**12 December 2019**

### Early weaning tips, tricks and traps to avoid

#### About the webinar

Join Désirée Jackson and the GrazingFutures team from the Department of Agriculture and Fisheries to help you make sense of early weaning. This webinar will provide you with relevant and practical information on how to effectively manage your early weaned stock.

Topics covered include:

- Benefits of early weaning
- Considerations for the nutritional management of weaners
- Weaner segregation and why it's important
- Weaner feeding regime
- Animal health considerations
