

# Hold 'em or Fold 'em?

Risk Based Decision Making & Resilience

Feel like there are too many balls in the air making it hard to make a business decision?

Strengthen your awareness and approach towards decision making, to communicate better with and influence others as well as improve on farm operations given current conditions.

Thursday

Nov 14, 2019

12:30 PM—  
6:00PM

Mitchell Hall  
2 Cambridge  
Street
