Look for the E-Beef Field Day signs.

This field day is supported by Desert Channels Queensland through funding from the Australian Government's National Landcare Program and GrazingFutures, a Queensland Government initiative to improve drought preparedness and resilience for Queensland producers.

The E-Beef project is supported by a partnership comprising Southern Gulf NRM, Desert Channels Queensland, Northern Gulf RMG, and Queensland Department of Agriculture and Fisheries.

Funding for the project is from the Australian Government's National Landcare Program and the Queensland Government Drought and Climate Adaptation Program.
