

Vern Rudwick
Director Drought Policy and
Response

A large herd of cattle, including many black and brown cows, is gathered in a dry, open field. The ground is sparse with dry grass and small green shrubs. The sky is overcast with grey clouds. In the background, there are low hills and a distant horizon.

FARM BUSINESS RESILIENCE PLAN

How to get a plan

- DAF/industry workshop/training
- Existing programs (e.g. BMP)
- Engage a professional (Farm Management Grants)
- Do it yourself

Review and update plan

Drought grants and loans through QRIDA to help with implementation if needed

Implement preparedness activities from plan
