Are your words and conversations getting you the results you want? Join this workshop and learn how to have healthy and productive conversations.

The workshop is suitable for central Queensland landholders, community members, teachers, small business owners, families and professionals. Under the expert guidance of Allan Parker, attendees will learn how to be calmer under the pressures of day to day life through low noise, low tension conversation skills.

You will learn...

- ✓ Understanding HOW and WHY conversations go off track
- ✓ Simple methods to enhance rapport, credibility and positive relationships
- ✓ How to have difficult conversations that get positive results
- ✓ Understanding, complimenting and managing different personalities
- ✓ How to handle high emotions and make difficult decisions
- ✓ Ways to communicate and promote mutually beneficial results
