

# Tammy Kruckow Coaching

"I empower evolving leaders in agriculture to breakthrough self-imposed limitations, enabling them to lead with confidence."

## Lead With Certainty

Setting our Leaders up for Success

'This workshop is supported by MLA's Profitable Grazing Systems program (PGS)'

'Lead with Certainty has certainly helped me to develop personally and to handle situations better that may arise at work and at home and would be hugely beneficial to anyone in a leadership role'.

*'Tammy is very relatable in delivering the information and training to the group'*

'Tammy is very relatable and genuine, the content was valuable and the interaction was great '

*"Relaxed environment but still productive. Tammy is very approachable and supportive, all round was a great course and very valuable"*

'I enjoyed Tammy's Course even though I hate being in a class room, I enjoyed the content and how engaging the two days where.

*'This Course has given me more awareness of how I communicate with others .*

'I have become more aware of how people work differently, People do not have to work the same as me to be their best'.

*'I enjoyed the conversation in the room, and realising that I am not alone in my Leadership journey'.*
