

Farm Business Resilience Program

FREE EVENT

Get reacquainted with your SOILS

Delivered in partnership with Kogan Braemar Wambo Catchment Group and Southern Queensland Landscapes, this day features multiple engaging presentations to help you work with your soils, protect your soils and unlock the production potential.

FARM BUSINESS RESILIENCE PLANNING with Department of Agriculture and Fisheries (DAF)

- Briefly hear how farm business resilience planning can help you and find out what support is available to help you develop a plan for your farm and soils.
- Learn about QRIDA grants and loans currently available to primary producers for on-farm activities that build resilience.

SOILS AND NUTRITION with David Hall

- Build your confidence in knowing what your soil properties are and potential factors constraining your production.
- Learn about soil nutrition and linkages to plant uptake and human health.
- Experience a live interpretation of local soil tests and how they compare across the different soil types in the area.

SOIL CONSERVATION PRINCIPLES with John Day

- Learn from John, a highly experienced soil conservation adviser who will discuss aspects of soil types, productivity, and suitable erosion control techniques.

DATE: Saturday
6th July 2024

TIME: 9:30am arrival
10am - 3.30pm
(approx. finish)

LOCATION: KOGAN, QLD
Community
Centre on High
Street

Light catering provided, please consider bringing a plate to share for afternoon tea.

REGISTER 
by Thurs 4th July
