

Farm Business Resilience Program

Free Workshop

Drought is a reality for primary producers.

Planning during a better season is key.

Come and discuss drought management ideas with fellow producers and learn about drought preparedness at this free workshop.

About

As part of Queensland's drought reform, Drought Preparedness Grants offer 25% (up to \$50,000) as a co-contribution grant to assist primary producers undertake on-farm capital improvements that will improve the drought preparedness of their property.

Assistance

To access these grants and other drought support measures including no and low interest loans, producers will need to have a Farm Business Resilience Plan. To assist producers with this, the Department of Agriculture and Fisheries Queensland (DAF), Rural Solutions Queensland Inc (RSQ) and Queensland Rural and Industry Development Authority (QRIDA) invite you to a workshop to learn more about the new policy, how to apply and to discuss drought management ideas for adoption and funding.

Cost: Free
