

You're invited to our seminar:

Nutrition for Increased Production

WINTON - 2nd December 2024
CLONCURRY - 4th December 2024

WINTON

Venue: Winton Supper Rooms
75 Vindex Street, Winton
Time: 10am to 1pm
Date: Monday 2nd December 2024

CLONCURRY

Venue: Cloncurry Community Precinct
35 Scarr Street, Cloncurry
Time: 10am to 1pm
Date: Wednesday 4th December 2024

Blue Ribbon Stockfeeds along with *Désirée Jackson, Désirée Jackson Livestock Management* and *Charlie Culley, Nutriment Health* will deliver a practical beef nutrition seminar including improving fertility, weaning, and backgrounding.

Guest speaker Désirée Jackson a local to western Queensland, has extensive knowledge of the nutritional management of cattle in northern Australia, including improving weaner development and growth, and matching animal requirements with cost-effective nutritional strategies.

Charlie Culley and Nutriment Health have done extensive research on the inclusion of the probiotic *Bovacillis* to cattle feeds, showing a multitude of benefits to animal health and production. Probiotics have become more profoundly used in stockfeeds and supplements.

Blue Ribbon Stockfeeds work closely with nutritional consultants to make our feeds the most suitable to different animals, pastures and conditions. Using the latest technologies in our feeds, we have seen a considerable increase in animal production.

Registration for this free Seminar is Essential - Register via
Liz Childes - Blue Ribbon Stockfeeds
Ph: (07) 4927 8806 email: admin@blueribbonstockfeeds.com.au
Morning tea and lunch will be provided on the day
