

Bull Selection & Fertility Information Day

Join Department of Primary Industries' Tim Emery and local vet, Bill Roughan, for an engaging and practical workshop focused on improving herd fertility and business outcomes. Whether you're a seasoned producer or just starting out, this workshop offers insights to help you make informed breeding decisions and drive the efficiency and profitability of your herd going forward.

Topics include:

- The importance of having clear breeding objectives
- Bull Breeding Soundness Evaluation/BULLCHECK™
- Reproductive disease management
- Estimated Breeding Values (EBVs) – making effective use of them
- Understanding what valuable information can be accessed online
- An insight into various genetics focused research projects

Date: Thursday 17th July 2025

Location: Toogoolawah Golf Club, Annette St, Toogoolawah QLD 4313

Time: 9:00am – 3:00pm

Smoko, lunch, tea and coffee are provided.
