FREE EVENT
FRIDAY, 1ST AUG, 2025
3:00 PM ONWARDS
VC RURAL SHED

LARGE ANIMAL
Production goals
Bull selection
Industry Updates

Queensland
Government

CATTLE
AUSTRALIA

Please join us for
refreshments afterwards.

- ✓ Tim Emery – DPI Beef Extension Officer, will discuss all things genetics, practical tools & information to help you make the most informed decision on bull selection to take your herd and business forward. Setting breeding objectives & business planning to improve your bottom line.
- ✓ Dr Andrew Marland – Vet Cross BVSc Veterinarian, will focus on the local reproductive diseases & how to prevent these from costing you money. As a BULLCHECK & PREGCHECK accredited examiner, he will discuss how to manage herd reproductive health, maximising herd performance.
- ✓ Bill Schulke, PFSQ extension officer – will discuss the proposed Licella Isis Mill biofuel project & income opportunities available to landholders from integrated harvesting & thinning operations.
- ✓ Adam Coffey – Deputy Chair Cattle Australia & CQ beef producer, will share his success story on the “Steak & Wood project” & CA beef industry updates.
