PRESENTERS

- **Dr Lee Taylor | Veterinary Operations Manager, Zoetis**

A qualified veterinarian, Dr Lee has been with Zoetis for 19 years in our Vet Ops team. He has extensive experience working with Livestock Producers, Vets, Resellers and our Sales Rep team in northern Aus, helping manage challenges that arise. He will speak specifically on Cattle Tick Management for the upcoming Spring and Summer seasons and will be available for questions to follow.

- **Ryan Honor | Beef Extension Officer, Department of Primary Industries**

Ryan assists Central Qld graziers with various cattle and grazing business management enquiries for the DPI. He will cover Tick Fever need-to-knows, and tick resistance testing services offered by the DPI to assist in implementing effective control programs.

- **Kiralea McKee | Accredited Certifier for Cattle Tick**

Available for questions, queries and information about clearing for crossing the Tick Line.
