

You are invited to...

# Climate Clever Beef Project Final Field Day

## 'Telgazlie' Surat Thursday, 28 May

**9:30am smoko for 10am Start**  
**Finish ~3:30pm**

The Climate Clever Beef Project has been running in the region for three years, with a focus group of beef businesses trialing practices aimed at reducing methane emissions and increasing carbon sequestration while maintaining productivity.

This field day will showcase project findings, guest speakers and a property tour by David Schwennesen.

### Speaker topics

- **Analysing a beef business**
  - Ian McLean (*Bush AgriBusiness*)
- **CCB findings – weight gains, soil carbon results, economics, modelling, stocking rates & diet quality analysis**
  - DAF Project Team
- **Focus group members' insights – enclosure fencing, remote monitoring etc.**
- **CashCow project findings**
  - Tim Emery (DAF)
