MORNING TEA AND LUNCH PROVIDED

Grazing BMP is a voluntary, industry led,
self assessment program helping graziers
plan for long term sustainability.

This two day workshop includes:

- Soil pit activity on property
- Overview of new Animal Welfare legislation
- Workplace health and safety information
- Production tips and tools

..... and much more

GRAZING BMP
BEST MANAGEMENT PRACTICES

Come along and complete
all five modules:

- Soil health
- Grazing land management
- Animal production
- Animal health/welfare
- People and business

Grazing BMP is funded by the Queensland
Government's Department
of Environment and Heritage Protection.
