RSVP 24 April 2017

Day 1— 8 May: Travel to Ayr
Day 2— 9 May: "Lisgar Droughtmaster Stud", Gumlu
Day 3—10 May: "Mt Aberdeen", Bowen
Day 4—11 May: Travel home

“Lisgar”, Gumlu, home to the Lisgar Droughtmaster stud is the best place to go if you want to look at appropriate performance recording of a seedstock herd. Robert and Donna Rea have used research to put the pressure on their stud breeders for over 50 years. They have used BREEDPLAN for the last nine. What questions should you be asking of seedstock producers to improve the bottom line of your business?

At “Mt Aberdeen”, Collinsville, Steve and Dell Norman have done a great job of breeder herd management on very tough country and have 23 years of data to prove it. Come and find out what management strategies they have used to improve breeder herd and business performance. What can you take home to improve calf output and business profitability?

Does anyone attending the tour have any dietary requirements? If so, what?

Accommodation, breakfasts and dinner to be covered by participants. Smokos and lunches will be provided by Grazing BMP. The first nights accommodation will be in Ayr, the second in Bowen and the third night in Collinsville. Room rates will vary, you should budget for \$130 per night. Travel will be with a Department of Agriculture and Fisheries staff member or in your own vehicle.

Would you like a Grazing BMP staff member to contact you to answer your questions? YES NO

By participating in Grazing BMP you can:

- Benchmark your practice against industry best practice
- Identify opportunities and develop a plan to improve your business performance
- Access information and support

Why does the industry need a BMP?

- It provides industry wide data on practices (personal data is kept private)
- It demonstrates good environmental stewardship
- It shows the community and consumers food is being produced ethically and sustainably

To register for the property tours, scan and email completed registration form to byrony.daniels@daf.qld.gov.au or fax to (07) 4983 7459 by Monday 24 April 2017.
