

Stocktake Plus

YOUR NEW BEST MATE IN THE PADDOCK

Stocktake Plus how to: Monitor stock records

Stock records, measured in Adult Equivalents (AE), combine all classes of stock in the paddock at a particular time. Existing stock records can be copied to the demand section when calculating a forage budget.

Fact sheet

To Create a Stock Record

- 1. On the bottom menu select 'monitor'.
- 2. Select 'stock'.
- 3. 'Add new record'.
- 4. Select 'paddock'. Click 'save'.
