To add a rain gauge

1. On the property page there is a section called 'about rain gauges'.

Fact sheet

8a

- 2. Select 'add gauge'.
- 3. Type in a name and click location (if desired).
- 4. Click 'save'.
- 5. If you want to have a rain gauge linked to a monitoring site – return to the required paddock, select the monitoring site and click 'rain gauge'.
- 6. Click the name of the rain gauge and click 'save'.
