

# Stocktake Plus

YOUR NEW BEST MATE IN THE Paddock

Fact sheet

8b

## Stocktake Plus how to:

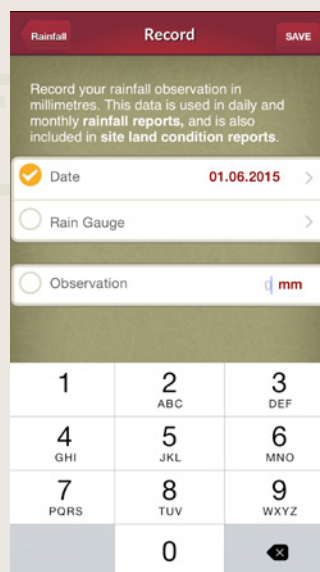

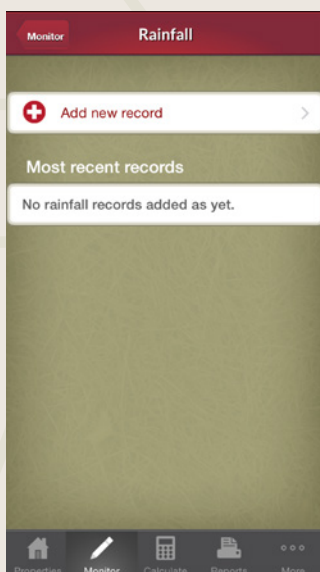

### Record rainfall (see fact sheet 8a to setup a rain gauge)

Rainfall can be recorded and then exported in a report, which calculates highest daily, monthly, and yearly totals.

#### To record rainfall

1. Select 'rainfall'.
2. 'Add new record'.
3. Click on rain gauge and select gauge required.
4. Select 'observation' and record number of mm measured.
5. Click 'save'.
