

# GRAZING BMP Workshop

## WORKPLACE HEALTH AND SAFETY & THE NEW BIOSECURITY ACT

How prepared are you when it comes to  
**WH&S on your property?**

Did you know that every year, around **1700** general workplace injuries occur within the agricultural industry, affecting one in every **25** agricultural workers and costing approx. **\$22 million** in compensation claims.

What impacts does the new **Biosecurity Act** have on your beef business?

Learn what has changed and what is required in regards to:

- Animal health and welfare
- Invasive plant and animal management
  - cattle tick

At the end of the day you will leave with a better understanding of Farm Safety, WHS documents specific to your property and the low down on the new Biosecurity Act and what it means for your enterprise.

**14th Sept—Spyglass Research Station**

9:00am to 3:00pm

(smoko & lunch provided)
